In re Application of Patrick T. Call et al. Application No. 10/601,315 Filed: June 20, 2003

Filed: June 20, 2003

Attorney Docket Number: MESO0057
Title: OPTIMIZING ROTARY IMPACT

COLLECTORS

DECISION ON PETITION UNDER 37 C.F.R. §1.137(b)

This is a decision on the petition under 37 CFR §1.137(b)¹, filed July 14, 2005, to revive the above-identified application.

The above-identified application became abandoned for failure to submit the issue and publication fees in a timely manner in reply to the Notice of Allowance and Issue Fee Due, mailed March 18, 2005, which set a shortened statutory period for reply of three (3) months. No extensions of time are permitted for transmitting issue fees or publication fees². Accordingly, the above-identified application became abandoned on June 19, 2005.

With the petition, Petitioner has submitted the petition, publication, and issue fees, as well as the proper statement of unintentional delay. Petitioner has met all requirements for a grantable petition under 37 C.F.R. §1.137(b).

As such, the petition is **GRANTED**.

¹ A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by:

⁽¹⁾ The reply required to the outstanding Office action or notice, unless previously filed;

⁽²⁾ The petition fee as set forth in § 1.17(m);

⁽³⁾ A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional, and;

⁽⁴⁾ Any terminal disclaimer (and fee as set forth in § 1.20(d)) required pursuant to paragraph (d) of this section.

² See MPEP §710.02(e).

Telephone inquiries regarding *this decision* should be directed to the undersigned at (571) 272-3225. All other inquiries concerning examination procedures or status of the application should be directed to the Technology Center.
